Jingzheng Song

Recently graduated from The College of William & Mary | Incoming MSCS student at Northeastern University
San Jose, California

Summary

I'm an incoming MSCS student and eagerly looking for opportunities in analytics. Through my undergrad classes, I've learnt Python, R and Matlab for data analytics and data visualization. During my internship at Neusoft, I recognized the necessity of coding skills and decided to further my study at Northeastern University. Ultimately, my goal is to combine my mathematical knowledge, analytical skills and proficient coding ability to assist an organization.

Experience

Siasun Robot&Automation Co., Ltd
Summer Intern
August 2019 - August 2019 (1 month)
Shenyang, Liaoning, China
